

McEachern Football Ratings History

In its storied 51 year history, McEachern Football has been achieved state ratings for various times in 27 years. Our high water mark came in 1998 when we finished Number 2 in the state of Georgia. We have received 250 individual ratings. Ratings are made weekly during the season by two polling agencies, The Atlanta Journal Constitution and the Associated Press. These sources started in 2005. From 1985 to 2005, the AJC was the only rating service. Prior to 1985 ratings were posted from both the Atlanta Journal and the Atlanta Constitution. McEachern Football has achieved the coveted rating of Number 1 on 16 separate occasions. We have been Number 2 on 5 separate occasions.
