

McEACHERN RETIRED NUMBERS

Within the legends of any football program, few honors are held in higher esteem than for a player to have his number retired. McEachern has 6 players who's incredible contributions to our school, our community, our state and our football program has demanded this high honor. We are continually proud of these elite individuals who have had this honor bestowed upon them for all time. The numbers 5, 6, 11, 17, 44 and 83 will NEVER EVER be worn again by a McEachern football player in tribute to these remarkable men.
