

McEachern High School Booster Club

2011 Fall Sports Program Ads

Another school year will soon be upon us, and with it the student athletes at McEachern will be representing our school and our town as they compete in their respective sports.

Each year, the MHS Booster Club publishes a “Fall Sports Program” which is sold at all home football games. This program provides a means for us to recognize our student athletes, as well as the coaches, trainers, administration and others who contribute to making our young men and women as successful as possible in both athletics and academics.

Costs for the Fall Sports Program are offset by the sale of ad space to businesses throughout our community. Thousands of folks fill the stands of Cantrell Stadium on Friday nights – the overwhelming majority of these on the home side live and do business in Powder Springs and the surrounding areas. The purchase of ad space by your business not only gives our student athletes the opportunity to be recognized, it lets all of those in the stands know that you and your business are a contributor to their success. We realize things are still tight and that advertising budgets are thin; please take some time to review the attached ad form and consider what size ad you are able to purchase. No matter the ad size, any contribution you are able to make will be appreciated.

Thanks so much for all you do to make Powder Springs such a great place to live, and I hope to see you in the stands on Friday nights!

Richard Bloedow

MHS Booster Club President
