# **DISCIPLINE PROCEDURES**

The Cobb County School District Manual of Administrative Rules for the current year will be included in the Parent Information Guide given to each student along with the student handbook. Students and parents are encouraged to read this information carefully. Further information may be obtained at:

**[www.cobbk12.org](http://www.cobbk12.org)**

## **EXPECTATIONS**

1. Be on time to class and to lunch.
2. Leave the walkways clear for traffic. Stopping to talk on walkways blocks traffic and makes other students late.
3. Have your student ID at all times.
4. Take care of your textbooks and other school materials. Marking on books, desks, and walls shows a lack of respect for property. You are responsible for repairs to any damaged property.
5. Wait in lines without cutting line or pushing and jostling others.
6. Eating in classrooms is not permitted. Only bottled water is allowed for classroom consumption.
7. Be respectful of adults and other students. Inappropriate language, inappropriate displays of affection, rowdiness, and disturbing others are not acceptable behavior on campus or during school activities.
8. Get permission in advance when you need to see the school counselor, visit the media center, or use the restroom during class time.
9. Ask for help. Fellow students and teachers can help you when you are unsure of correct procedures or the proper place to be.

John McEachern High School has established a solid program of extracurricular activities for our students. Over the past years many clubs and teams have received state recognition for their achievements. Students who are involved in extracurricular activities enjoy high visibility and serve as role models for younger students in our school and in the lower grades. Therefore, McEachern High School expects its students to act in accordance with their positions as representatives of the school at all on-campus and off-campus activities. Questions regarding a student's use and distribution of drugs and/or alcohol at any time during the year will be investigated thoroughly by school officials and may result in disciplinary action and/or suspension from all extracurricular activities regardless of whether the offense occurred at a school-related or non-school-related activity. In addition, the student may be excluded from future participation in extracurricular activities. (See Student Eligibility Folder for specific consequences.)

## **MAINTAINING STUDENT BEHAVIOR**

### **DETENTION**

**Teacher/Administrative Detention:** Teachers may assign detention for violations of class rules. Teacher detention will be served as a lunch detention with at least 24 hours notice. Know when and where you are to report for detention. If the student does not serve the teacher detention(s), the detention will be doubled. The teacher will write a referral to the appropriate administrator if the student fails to serve the doubled detention. Failure to serve a teacher detention will result in a minimum of Saturday School.

### **SATURDAY SCHOOL**

Students are assigned Saturday School for a variety of reasons. Saturday School is a supervised study hall from 8 AM to 12 noon, so students should bring work with them to occupy their time responsibly and productively. Parents are responsible for transportation to and from Saturday School. **Failure to serve Saturday School or tardiness to Saturday School will result in 2 days Out of School Suspension.**

### **IN-SCHOOL SUSPENSION**

In-School Suspension is a program designed to modify behavior while keeping the student in school with access to schoolwork. The program isolates the student from his peers in a controlled environment that makes him consider the inappropriateness of his behavior. The alternative to ISS is out of school suspension. Students who cannot behave appropriately in ISS may be suspended. Since ISS is a form of suspension,

ISS affects participation in extracurricular activities. Students are responsible for getting assignments for ISS dates unless instructed otherwise. Students may accrue penalties for inappropriate behaviors (i.e., sleeping, tardy, eating, not working on assignment, not reporting to ISS as assigned including return to school after absence).

### **OUT-OF-SCHOOL SUSPENSION**

Suspension from school is an alternative to modify student behavior. A suspended student cannot come on campus, attend any school function or practice until the day he returns to school from suspension. Certain behaviors always result in suspension due to Cobb County policy or local school policy. See School Board Policies, specifically, JDD (Long-Term Suspension/Expulsion) and JDDDB (Short-Term Suspension).

### **EXCLUSION FROM EXTRA-CURRICULAR EVENTS**

Depending on the severity or frequency of certain behaviors, a student will be excluded from participation in extra-curricular events for a period of time. This exclusion would prohibit a student from attending after-school events, such as sports events or performances, as a spectator. The exclusion would also apply to participants in these events, such as student-athletes or student performers. These students would be allowed to practice with the student group, but they would not be allowed to attend events, such as games or performances, as either a spectator or participant.

## **DRESS CODE**

The community of John McEachern High School believes that all students should wear clothing to school that fits well, reflects respect for oneself and supports the high expectations we maintain for our students academically and socially. McEachern High School respects the rights of our students to choose his/her dress style and appearance. Certain guidelines must be observed, however, to ensure a wholesome environment. In summary, attire shall not interfere with the educational process and shall reflect pride in oneself. Students shall wear clothing that is not distracting or disruptive to the classroom or school. Dress code policies on teachers' syllabi that are in line with Cobb County policy JCDB-R, as well as the stipulations below, will be strictly enforced.

Track shorts, sleepwear and/or pajama bottoms are not allowed. Shorts or pants must fit and remain on the waist such that underwear is not exposed.
3. **Headgear:** "No caps, hats, bandanas nor hoods covering the head are to be worn in the school buildings during the school day unless there is a special activity during which they are deemed appropriate by the school administration" (Board Policy JCDB-R, C7). Any headgear worn for religious, medical, or other legitimate purposes must receive prior administrative approval.

5. Footwear must be worn at all times- **No house slippers!**
6. Clothing recognized as being related to a group or gang, such as shirts with gang references, belts of excessive length, etc., are strictly prohibited.

## **ADMINISTRATION and COUNSELING**

While the principal is the instructional leader of the school, assistant principals directly supervise academic departments and help monitor both instruction and the implementation of the educational policies established by the Cobb County Board of Education. When parents have concerns about a teacher's instructional practice, they should first contact that teacher. If they cannot resolve those concerns with the teacher, the parent should contact the front office staff who will direct them to the appropriate assistant principal over that teacher's department. If a satisfactory resolution still cannot be reached, the parent should then contact the principal, and finally, the area assistant superintendent if needed.

The Principal also delegates disciplinary authority to the assistant principals who should again be the first point of contact when an issue involving misbehavior cannot be resolved with a teacher. The assistant principals are tasked with enforcing the disciplinary consequences established in the local school student handbook as well as the disciplinary policies of the Cobb County Board of Education (Policy JICDA-H). As described above, the avenue of recourse beyond the assistant principal is the principal, and then the area assistant superintendent.

When parents wish to meet with teachers to discuss the academic struggles of their students, the School Counseling Department is the first point of contact. The school counselors are each responsible for a portion of the alphabet, and will help with concerns that are strictly academic, or concerns involving the safety and well-being of students (child abuse, homelessness, etc.). Parents should expect to give teacher's 24-hour notice before the meeting is held.

### **ATTENDANCE POLICY/PROCEDURES**

The Cobb County Board of Education considers regular school attendance to be essential for educational success. Students shall be in attendance in accordance with the requirements of the compulsory attendance law and for the number of full length days prescribed by law.

1. You must bring a note from your parents by the 3rd day you return to the class you missed. If you miss a number of days in a row, one note will be acceptable for all days missed. The note must include your NAME, grade, DATE(S) of absence, REASON for absence, PARENT SIGNATURE, and PHONE NUMBER where a parent can be reached. Notes without all of the above information will cause the absence to be considered unexcused.
2. Notes must be received by the 3rd day you return to the class from which you were absent. **No late notes, FAXED notes or emails will be accepted. NO PHONE CALLS WILL BE ACCEPTED.**
3. During the first class, the student must give the note to the teacher. The absence is coded excused if the absence is a result of the reasons listed below.
4. The school does not recognize and/or sanction in any form a Senior Skip Day. Students who participate in such an event or activity will be credited with unexcused absences.

### ***EXCUSED ABSENCES***

State law governs excused absences to school. A student may be excused for the following reasons:

1. personal illness
2. serious illness or death in the family
3. special and recognized religious holidays observed by his/her faith
4. pre-induction physical examination for service in armed forces
5. court order
6. where school attendance is impossible/ hazardous to health or safety
7. voter registration

### ***EXTENDED ABSENCES***

After a student has missed four (4) consecutive days of school due to illness, the parent may contact the school counseling office to request make up work. Work may be picked up 24 hours after making the request. Long-term absences may require a homebound teacher(see Hospital/Homebound). ***Request for consideration for extended absences due to family trips/activities must be submitted in writing to the grade-level administrator prior to the absences. If approved, the absences will be considered unexcused, but the opportunity for make-up work will be offered.***

### ***ABSENCE NOTIFICATION***

When a student has missed 3 days in any particular class, the classroom teacher will contact the parent/guardian. When a student has missed 7 days, the student is seen by a grade-level administrator/designee and a social worker referral is sent. At 10 days of missed school, a letter will be sent from the school regarding the absences. After 10 days of unexcused absences, a minor student (14 to 17 years of age) will have his/her learner's permit or driver's license suspended for one year or until the minor's eighteenth birthday, whichever comes first. After 20 days absence, the student will be required to provide a doctor's note to excuse any further absences, including early dismissals. If no note is provided, the absence will be unexcused. The ten, fifteen, and twenty-day absence rule is cumulative for the school year.

### ***TARDIES***

1. **To be excused for being tardy to school a student must present a doctor's or dentist's official appointment verification, a note regarding student illness, or a document for a court ordered appearance at the time the student signs in to school.** Tardies due to missing the bus, traffic, oversleeping, car trouble, etc. are unexcused.
2. Any student checking into school after 8:25 a.m. must sign in with the Attendance Office. If a parent/guardian signs the student into school, a note must still be presented stating the reason for the tardy.

NOTE: Tardies are cumulative for ALL classes/homeroom each semester.

### ***CHECK OUT POLICY (EARLY DISMISSAL)***

In an effort to provide parents with access to their children through our check out procedure during instructional time, the following guidelines are to be followed:

1. If a student is planning to check out for a prearranged reason (medical appointment that could only be scheduled during the school day, funeral attendance, court appearance) he/she must bring a note to the first block teacher.
2. All notes from home must include the student's name, current date, a brief explanation identifying the reason for being checked out, the check out time, **phone number** where a parent or guardian can be reached before the check out time and the parent's signature.
3. **At the designated release time, the student must go to the attendance office to sign out.**

- a. Any student who leaves campus without properly checking out will receive disciplinary action and may lose his/her parking permit and driving privileges for at least 45 school days. *McEachern High School is a closed campus. Students must stay on the school grounds from the time they arrive, even if school has not started, until dismissal.*
- b. Any student leaving the school grounds must check out through the attendance office.
4. If a student becomes ill during the school day he/she should notify the teacher and secure a pass to the clinic.
5. Students must keep early dismissal passes to present to teachers for excusing absences.
6. The school reserves the right to require written requests or personal appearance of parent/guardian and proper identification before a student is dismissed.
7. Phone calls, faxes, and e-mails will not be accepted for check outs.

### **SCHOOL-WIDE ASSESSMENT POLICY**

#### Grade Books

- All grade books will be standards-based.
- Grade book categories will be representative of units or topics of study.
- The title of all summative assessments will indicate the standard(s) which it measures.
- All non-standards based grades (e.g. signed syllabus) shall carry no weight.
- The total weight of all formative assessments shall not exceed 25% of the students' final grade.

#### Reassessment

- All students will be allowed to reassess on any of the standards for the course provided the following conditions are met.
  - The student must attempt the original assessment.
  - The student must complete a reasonable amount of remediation as assigned by the teacher (e.g. complete test corrections). The remediation may be done at home or in tutorials.
  - The student must schedule the reassessment with the teacher for a time outside of class.
- The reassessment grade will replace the original assessment grade.
- All standards may be reassessed throughout the school year up until the designated cut-off date.

#### Students absent on or prior to the day of an assessment

- If a student is present on the day of an assessment, then he is required to participate in the assessment regardless of having been absent for any of the instructional days leading up to the assessment.
- If a student is absent on the day of an assessment, then the teacher may require the student to participate in the assessment immediately upon

returning to class regardless of any instructional days the student may have missed. Doing this is a benefit to the student as it will prevent him from receiving a zero if he fails to make up the assessment within the allotted time. This also makes the student eligible to reassess on those standards when he is ready.

### **MODIFIED BLOCK SCHEDULING**

The school calendar is set up on an odd/even day rotation. Each day is organized into four blocks or four periods of instructional time. A student may carry anywhere from four up to eight classes per semester. Yearlong classes are those classes that meet every other day for the entire year. Regular block classes meet every day for one semester.

### **CAFETERIA AND LUNCH PERIOD**

Student behavior in the dining room should be based on courtesy and cleanliness. This means leaving the area in the condition in which you would like to live.

### **LUNCH PERIOD GUIDELINES**

1. Students are expected to properly dispose of their trash and clean their eating area before leaving the cafeteria.
2. Students will go through the cafeteria line and pay for their choice of food.
3. Students are not to break or cut in line or hold a place for another student in line.
4. Students are not allowed to go into any of the buildings during their lunch periods without a pass. Students must be in the area between Russell Hall and the CT building on the center of campus. Failure to obey will result in disciplinary action.
5. Students may **ONLY** use the restrooms located in the cafeteria.
6. Fast food is not to be delivered to the school or eaten in the cafeteria.
7. Students may not check out of school and return during lunch periods except for excused reasons.
8. Students will need to carry their ID cards verification when purchasing a lunch. Students may not use other students ID/Lunch numbers.

The Food and Nutrition Staff at McEachern High School serves up several different entrees daily which may include pizza, sub sandwiches, salads, hamburgers, nachos, wraps, value meals (an entrée 2 side items, and milk), plus many a la carte items. The school also offers a full breakfast program between 7:50 – 8:20am. You can find current menus and price lists at [www.cobbk12.org](http://www.cobbk12.org).

Students may prepay for meals in the Cafeteria or online at [www.mealpayplus.com](http://www.mealpayplus.com).

## **CARE OF SCHOOL PROPERTY**

All students are charged with the responsibility of caring for school property. Accidental damage when reported voluntarily will require restitution, but no further disciplinary action will be taken. Willful and thoughtless misuse or damage will result in disciplinary action. Vandalism is a violation of law and may be treated as such.

## **CAREER CENTER**

The Career Center is located in the Business Technology building and is open daily to serve students and parents. Resources available in the career center include the following: College and technical school catalogs, college applications, SAT and ACT applications, scholarship information, Graduation Test study guides, an SAT computer tutorial, job listings, and interest inventories. Students may visit the career center with a pass from a teacher or during lunch periods. Appointments can be made by parents or students to see the appropriate counselor for post-secondary educational planning.

## **CHEATING**

Cheating occurs any time a student solicits, receives or offers unauthorized help on any assignment. This includes class work, homework, projects, special assignments, and tests. Whenever a student is guilty of cheating, the teacher shall collect the student's paper, mark a zero for the work, and notify the parent(s) and the appropriate administrator. When writing reports, presentations, essays, projects, etc., students must give credit to all sources used, including the internet. Students who have cell phones or other electronic devices out during evaluations, such as quizzes and tests, will be considered to be cheating.

## **COLLEGE VISITATION**

Seniors who plan to visit colleges must make prior arrangements with the appropriate administrator for trip approval in order to make up missed work. Up to two visits are allowed to be entered as an excused absence.

## **COUNSELING**

### **McEachern School Counseling Department Vision**

The students of McEachern High School will become confident, academically prepared, productive, and contributing members of society. Through our creative and innovative core curriculum, students will become empowered and educated to meet the expectations of the 21st century.

A joint partnership with administrators, teachers, parents, community members, and various student-focused agencies, will afford us the opportunity to assist students with learning how to maximize their potential. We strive to educate students in the areas of academic preparedness, post-secondary opportunities, real-world literacy, non-routine problem solving, conflict resolution, decision-making proficiency, and the social awareness of others.

### **Counseling Department Services**

Each counselor works with students in grades 9 through 12 and is responsible for a specific range of the alphabet. The alphabet breakdown and counselor contact information can be found on the McEachern web page ([www.mceachernhigh.org](http://www.mceachernhigh.org)).

In order to be most effective, school counselors see each student on an appointment basis. Students can make appointments by visiting the School Counseling office located in the Business Technology Building. Parents are encouraged to make appointments by calling or e-mailing their student's counselor.

The McEachern Counselors:

- are available to help with personal/social, academic, and career counseling.
- assist students in planning for success while in high school and beyond.
- maintain a collection of current information in the career center which include, but is not limited to: college catalogues and applications; financial aid information; scholarship opportunities; military and civilian career outlook materials;
- conduct workshops and seminars on subjects including but not limited to: PSAT preparation and reading score reports, financial aid sources, registration materials, etc.

### **ELIGIBILITY**

Participation in interscholastic/extracurricular activities in public schools is a privilege. Students and parents will be required to sign a John McEachern High School Conduct Statement and Drug/Alcohol Statement. See Policy JHEB Policy addendum. Eligibility requirements are set by the state, and all students involved in any GHSA-sponsored extra-curricular activity must meet state requirements. The State Board of Education in an effort to encourage students to stay on track for their graduation requirements has adopted a policy that regulates student participation in activities.

Students must **accumulate units towards** graduation according to the following criteria:

#### **FIELD TRIPS**

Any time a student leaves campus on an official school trip parental consent Form IFCB-4 and Form IFCB-5 Medical History Permission and Release Form must signed by parent and on file with the school. If the trip causes a student to miss another class, it is the student's responsibility to secure that teacher's permission and arrange for any missed work to be made up.

#### **FIRE & TORNADO DRILLS**

A fire drill will be held at least once a month. Weather drills will be conducted periodically. Plans have been designed to afford the greatest ease of escape and safety. It is imperative that each student cooperates completely when the alarm is sounded. One of the greatest hazards in emergencies is our own conduct. Silence and immediate response to adults' directions is demanded. Further directions are provided in each classroom. You should be aware of each plan so that your reaction is appropriate when most needed.

## **DELIVERIES**

Deliveries of flowers, gifts, or food to school will not be accepted. These gift items are distracting and disruptive to students in the classroom. Any other emergency deliveries of textbooks, materials, etc. should be brought directly to Russell Hall.

## **FREE AND REDUCED LUNCHES**

Applications for free and reduced priced lunches are accepted any time during the year. Applications are available through the cafeteria manager or online applications for free and reduced lunches are available at [www.cobbk12.org](http://www.cobbk12.org). Click on Lunch Menus, then Online Meal Applications. Students will follow procedures as instructed by dining hall staff.

## **GRADE CHANGES AND INCOMPLETES**

Students who receive an incomplete grade on a semester report card are required to resolve the incomplete no later than 10 **calendar** days after the end of that semester. Failure to do so will result in 0's being averaged in for the incomplete work and then the teacher will determine the final grade.

### **Grading Scale**

90-100.....	A

If parents have concerns about their student's grades or progress in a class, they may contact the appropriate teacher and/or counselor.

## **GRIEVANCES**

If parents have concerns about discipline, they should contact the appropriate grade level administrator. If parents have other concerns, they should first contact the teacher involved. If the issue is not resolved after speaking with the teacher, then the parents may contact the appropriate administrator.

## **HALLS/CAMPUS**

Students should be in the halls or out on campus only at the beginning of school and close of school and while moving from one class to another unless they have special permission. Students in the halls or on campus during class time must have a pass that is written by the teacher in the student's handbook. Students are asked to keep to the

right when moving in the halls or on campus **Vending machines shall not be used during class time.** Disciplinary action will result for using vending machines during class time.

### **HOMEWORK**

Students are encouraged to use a written planner to record homework assignments and refer to each evening. Parents are encouraged to emphasize the importance of homework by asking about daily homework and checking for completeness. Some assignments are long-range in nature and require planned study or library time. Parents can support students by helping them plan ahead and dividing tasks down into manageable parts. This type of involvement can reduce stress and improve the quality of work a student produces.

### **HOSPITAL/HOMEBOUND**

In the event that any student has a medical emergency that requires hospital and/or homebound instruction, the student or parent(s) should notify the appropriate school counselor as soon as possible. Once application for this service has been completed and the doctor has signed it, the Homebound County Office shall determine eligibility. Hospital/homebound students are counted present by exception and are required to maintain their studies to receive course credit. Please remember that upon return to school, it is the responsibility of the Hospital/Homebound student to secure the remainder of the missed or make up work and to arrange a timeline for its completion. Failure to pursue this can result in a loss of grades and/or course credit.

### **HOPE SCHOLARSHIP/GRANT**

The Hope Scholarship is for Georgia residents who graduated in 1993 or later. Those students who earn a 3.0 average on a 4.0 scale in core subject areas meeting the college preparatory program, or a 3.2 on a 4.0 scale in core subject areas in a vocational program are eligible for HOPE scholarships at a state public college, university, or state vocational/technical schools. See school counselors for additional information.

The Hope Grant is available to students seeking a certificate or diploma at a branch of the Technical College System of Georgia or a unit of the University System of Georgia. For additional information, read the HOPE Program section on the [www.GAcollge411.org](http://www.GAcollge411.org).

School insurance does not cover loss of books, materials, or personal possessions

stored in lockers. Giving locker combinations to friends or sharing a locker with any person other than the student(s) assigned to the locker can cause problems. Valuables should never be left in lockers. During P.E. class, store items in an athletic locker with a lock provided from home. If you have any locker problems, see your administrator. **Lockers are the property of Cobb County Public Schools and are subject to inspection and search by school officials.**

## **PARKING**

Parking decals will be sold at the beginning of fall and spring semester. Local and county policies govern student parking. McEachern students must follow all of the procedures outlined in the county application found on the McEachern website. In addition, neither students who drive to school nor students they transport can receive an excused tardy pass because of traffic or car problems. Cobb County policy states that any driver who has six unexcused tardies will lose their parking privilege for the semester. The Macland Office supervises parking and handles violations and tickets along with the campus police officer. To resolve parking problems, see the campus police officer. Administrators have the right to suspend/revoke parking privileges. Check with the Macland Administrative office for parking decal cost.

## **PHONE MESSAGES AND USE OF PHONES**

The school cannot take or deliver personal messages for students, except under very special and specific circumstances. These circumstances will include the following only: 1) notification of death, serious illness, or disaster in the family, 2) medical appointments that have changed unexpectedly, 3) an unexpected change in work schedule for a student enrolled in the work program. Phones located in all Administrative and faculty offices are generally not for student use.

## **REGISTRATION**

It is very important that students be present on registration days, carefully select courses, and return the completed forms. Once the spring registration verification process is completed, there is a commitment and expectation that students will remain in the chosen classes. Every effort will be made to accommodate the selections

indicated; however, the following factors may affect the student's final schedule:

1. If a student's chosen course and his/her final grade does not meet the prerequisite listed in the course booklet, the schedule must be adjusted.
2. In the event a course listed in the course booklet is not requested by a sufficient number of students, that course will not be offered, and the student will be placed in an alternate choice.
3. A student who selects two courses that are offered the same period will be placed in only one of these courses and an alternate choice.
4. Every effort will be made to ensure that students graduate within 4 years which may mean dropping electives to double up on core courses during the student's Junior and/or Senior year.

During the first 10 days of the semester, schedules may be changed for the following reasons: needs specific course for graduation, already passed course, administrative reassignment, or class balancing to level the size of class rosters.

No schedule change will be made after the 10<sup>th</sup> day of school since state law requires a specified number of seat hours in order to earn a unit of credit.

### **REPORT CARDS**

Progress reports, issued by individual teachers, are given at the 3<sup>rd</sup>, 9<sup>th</sup>, and 15<sup>th</sup> weeks of each semester. Report cards, issued school-wide, are given on the 6<sup>th</sup>, 12<sup>th</sup>, and 18<sup>th</sup> weeks of each semester. The 18 week grades are final grades for block classes.

### **RETENTION**

A student will be retained in a grade level if he/she does not earn enough credits to be on track for graduation. Starting with the class of 2012, to be promoted a

**After normal school hours, there is no formal supervision of the McEachern High School campus. Students should arrange for rides based on this knowledge. Students should plan to leave the campus no later than 4:00pm on a regular school day unless there is a planned event involving a staff member that begins by 4:00pm. Remaining after school for an evening event that begins after 4:00pm is not allowed. ## Costa's Levels of Questioning: Questions That Lead to Critical Thinking

**Level One** questions cause students to recall information. This level of question causes students to input the data into short-term memory, but if they don't use it in some meaningful way, they may soon forget.

**Level Two** questions enable students to process information. They expect students to make sense of information they have gathered and retrieved from long-and short-term memory.

**Level Three** questions require students to go beyond the concepts or principles they have learned and to use these in novel or hypothetical situations.
