 HERFF JONES

## It's time to order the 2009 McEachern High School yearbook!

The McEachern High School yearbook tells the story of everything that will happen at McEachern High School this year: it's a collection of portraits and candids, factual details and student reactions that will preserve all the memories of the year forever. While the book won't arrive until the end of the school year, we must tell the printing company how many copies we need soon. The instructions below will allow you to order student yearbooks as well as copies to keep in your home after the children move on or to present to the grandparents so they can keep up with all the events of the year.
