Students are assigned to Chamber Orchestra, Advanced Orchestra, and Intermediate/9th Grade orchestra. Students and parents should expect one afternoon rehearsal before the Winter Concert and one afternoon rehearsal before the Large Ensemble Festival in February. Deaths in the family or a doctor's note for an illness are the only excused absences considered valid. Students and parents should ALWAYS consult with the director before a conflict arises so that it can be resolved.

ORCHESTRA RULES FOR EFFECTIVE REHEARSALS

- 1. Be in your place a few minutes before rehearsal.**
- 2. Careful tuning is essential for good performance. Needless playing is unfair to others who are trying to tune carefully.**
- 3. Place your music stand at the best height for maintaining eye contact with the conductor.**
- 4. Stop playing when the conductor stops, and listen carefully to what he/she says.**
- 5. As the rehearsal progresses, mark your parts for fingerings, bowings, articulations, changes in tempo and dynamics, etc. (with pencil only). If more than one player is on a stand, the inside player marks parts and turns pages. If you are using your stand partner's music, make sure these markings get on your part!**
- 6. Observe all markings above and below the staff. Exaggerate dynamics and keep your eye on the conductor for tempo changes.**
- 7. Listen to the whole orchestra. All parts are important, but if you have an accompanying figure, keep it subdued to let the primary line sound forth.**
- 8. Listen for various rhythms --including the inner rhythms.**
- 9. Keep your case out of heavy traffic areas.**
- 10. **KEEP TRACK OF ALLOTTED BREAKS, and be back in your chair ready to play on schedule.****
- 11. Never stare or comment when someone makes a mistake. This is discourteous to the player and distracting for everyone --and you could be next! Refrain from vulgar or loud language during class, and **KEEP YOUR HANDS TO YOURSELF!!****
- 12. Practice your parts at home. Plan your practice, isolating problems in advance so you can concentrate on them. Indicate your practice on your sheets and have your parents sign them.**

PERFORMANCE DATES

A Calendar of performances and activities will be given to the students and parents on the first day of school. Students will be notified of pending performances or changes at the beginning of each six- weeks grading period. At times, students will be selected to perform in a small group for special occasions. Students are expected to perform at all school assemblies (in other words, check for any possible obstacles such as doctor's appointments, meetings with parole officers, etc.) in which the Orchestra has been invited to play. The instructor will indicate dress for those assemblies sufficiently in advance. ALWAYS consult with the director if you think there will be a conflict. These conflicts can easily be resolved most of the time. Per parental request, students missing any performance have the opportunity to take a make-up test in order to retrieve some of the missing points; their grade on the exam will be averaged into the performance requirement (50%) of their final six weeks grade. They may use this option ONLY ONCE (NOT for LGPE Festival!) in a school year.

ORCHESTRA UNIFORM

There are two forms of dress for the McEachern Orchestra: formal and informal. Formal dress for the women is black dress, etc. Formal dress for the boys is tuxedo and all accessories. Informal dress includes the Orchestra shirt.

Men will be measured for tuxedos during August. They are responsible for the cleaning and maintenance of their tuxedos. Any alterations made during the year are to be made without cutting or defacing the uniform. Ladies will be measured for their dresses during the first two weeks of school. Rental (cleaning fee) for the tux/dress this year is \$20, payable on being measured for the tux or dress. These tuxes and dresses are the school's property. Fundraisers for Orchestra or the summer camp fee do NOT cover this expense. You MUST let us know if this causes you financial difficulty at that time; payment plans can be organized or the student can transfer to another elective subject. All tuxes and dresses must be ordered by the end of August so that the Orchestra can take its formal photo.

Informal sweatshirts and tshirts will be ordered and paid for in September and November.. They come in small, medium, large, extra large, XXL and 3XL. The tshirts cost \$5 and the sweatshirts cost \$25 and can be purchased through the instructor.

ALL-STATE

Students are encouraged to audition for the Georgia All-State Orchestra. Ninth and Tenth graders audition for one High All-State Orchestra, the rest for the Senior High All-State Orchestra. Scales and etudes will be posted in the Orchestra Room for each year. All scales will be performed by memory. Copies of the etudes may be obtained from the instructor. Deadline for All-State monies is on the Friday of the last week in August; the school deadline is two days before the state due date.

CODA HONORS ORCHESTRA

Students are encouraged to audition for our Cobb County High School Honors Orchestra. The audition fee (\$15) is due by Monday of the last week in August. In addition to prepared excerpts and sight-reading, students must perform the following scales and arpeggios by memory:

PRIVATE LESSONS

All students are encouraged to participate in private instruction. The benefits are unquestionable to both the individual student and the orchestra. Private instructors are available at our school for after school instruction as well as in class instruction when requested. Students will receive information when it is available. The director will tutor any students on a sporadic (before school) basis or during summer office hours. Contact the director for more information on this.

GRADING POLICY

Six Week's Grade consists of: class work, concerts (when applicable) and playing/chair tests. Playing tests follow a standard rubric (scales/arpeggios/musical excerpt) equaling 100 points. They are usually taped and always judged anonymously. End of Semester playing tests will be done "live" as well as taped. Concerts are mandatory and are usually scheduled at 5:30 P.M. so that students can get home at a reasonable time. Students are allowed to stay in the Orchestra Room after school on those days. Concert wear is usually required for performance on those days. Chamber Orchestra students are required to participate in one of the following: Solo and Ensemble, All County Orchestra auditions, or All State auditions. They are responsible for all participation fees for those events.

MATERIAL RESPONSIBILITIES

All students must keep their instruments maintained and in playing order. VIOLIN and VIOLA students should have their OWN INSTRUMENTS. All violin, viola, and cellos students should have an extra set of strings at school in case they break a string. A soft cloth should be in the student's case to wipe the bow and instrument after each playing. Strings, rosin, shoulder rests and rock stops can be purchased at any local music store or ordered through the mail. See the instructor for information concerning this. It is greatly appreciated if all cellists who own their instrument would bring it to school on performance days. All students will be provided a three-ring binder for all sheet music, music theory papers and handouts, as should have a pencil at all times. Folders will be checked and graded at the end of every six- week period. STUDENTS WHO OWN THEIR OWN VIOLIN OR VIOLA SHOULD BRING THEM TO SCHOOL ON ORCHESTRA DAYS!

MCEACHERN ORCHESTRA GUILD

All orchestra parents are automatically members of the Guild. The Guild meets

periodically throughout the school year and summer to plan fundraisers and trips for the students. Officers are elected at the October meeting. Please make every effort to support the Guild as it works diligently to provide a quality musical and educational experience for the students. By-laws are available to parents on request.

ASTA-NSOA STUDENT CHAPTER

McEachern is one of only 50 high school student chapters of the American String Teachers Association/National School Orchestra Association. The purpose of the group is to foster a love for music and string playing in the local community. Students must maintain a 3.0 grade average and participate in service projects, orchestra fundraising efforts, and audition or participate in honors groups or Solo and Ensemble Festival throughout the year. The members sponsor a Middle School and High School String Camp for the county in the summer as well as various enrichment activities throughout the year.

ORCHESTRA WEBSITE

Parents and students can access the website through the McEachern website (go to Activities/Fine Arts/Orchestra). It is updated frequently and should be consulted by parents and students, especially at fundraising time, festival time, etc. Information on the teacher's blog (Harmony for Humanity) is found there as well.

ORCHESTRA FUNDRAISING

Students will be asked two times during the school year, usually in the Fall Semester, to raise money for the Orchestra's needs and a possible Spring Trip. Accounts will be kept for individual student fundraising credits; students who graduate or withdraw from Orchestra forfeit any credit. Parents are responsible for ALL BOUNCED CHECKS. ALL students are strongly encouraged to participate, especially those who used larger school instruments. Money raised through these efforts, approved by the school administration, helps to defray the cost of excessive repair bills as well as fund professional teachers who come to tutor the students on a regular basis during the school year.

PERMISSION FORM 2010-2011

This form is to be returned to the Instructor signed on or before Friday, August 27, 2010. FAILURE to do so results in removal from Orchestra Class.
