History of John McEachern High School

John Newton McEachern, co-founder of the Life of Georgia Insurance Company, enabled the establishment of the 7th District Agricultural and Mechanical School, which opened in February 1908. With the establishment of the University System of Georgia in 1933, the state program was abandoned,

and all A&M schools were closed. Thus, five small Cobb County public schools were incorporated into the Macland Consolidated School, which opened in October 1933, serving students from the 1st to the 11th grades. In 1975, the school began serving students in grades 9 - 12 and

was renamed John McEachern High School. Today, the faculty and staff of McEachern High School honor John and Lula McEachern's commitment by providing the very best education possible for students in West Cobb County.

Academic Profile

Class Rank and GPA

As of the 2019-2020 School Year, CCSD does not calculate class rank. Additional points are calculated into the cumulative GPA and are not reflected in numerical averages.

A = 4.0 B = 3.0 C = 2.0 D = 1.0 F = 0

One additional quality point for completion of:
- Any AP Course
- Any 4th or 5th Year Language
