ATTENDANCE NEWS...

EARLY DISMISSAL

If you are planning to check your student out of school early, please send an early dismissal note to school with your student. Your student will give the note to his/her first block teacher. The teacher will write your student a pass to come to the Attendance Office at the time you stated on the early dismissal note. Parents will not need to come to the Attendance Office to check out his/her student if the student has turned in an early dismissal note.

Destination Einstein with Walton High School

After school on January 20, 2015 the Techno Tribe went to Destination Einstein near Town Center Mall and collaborated with Walton High School. Destination Einstein is a place, established in 2012, for teams to go try their robots on an actual playing field. Twelve of Techno Tribe's team members and some of the mentors showed up to help Walton high school build the field

for this year's event, "Recycle Rush". The team invested time to configure the new programming system called C-Rio with Walton but to associate ourselves with four other Cobb County teams. They took this time to see what other schools have done by observing their prototypes. Techno Tribe had taken this experience to learn about other teams and help others in the process making it a win-win situation. This is called gracious professionalism at its best. Get Robotic!
