**GEORGIA APPLY TO COLLEGE**  
**Program!**

**GEORGIA APPLY TO COLLEGE (GAC)** is part of the American Council on Education's national initiative to increase the number of students accessing postsecondary education. Each year, the Governor proclaims November **Georgia Apply to College Month**. During the month, high schools across Georgia hold events during which their seniors can receive assistance, support and encouragement as they apply to college.

The **GEORGIA APPLY TO COLLEGE** program helps Georgia high schools:

- ✓ Provide students with a time to focus on applying to college.
- ✓ Demystify the process of researching and applying to college for their students.
- ✓ Help their students identify the colleges that will be the best institutional fit for them.
- ✓ Encourage students to apply who may not otherwise have seriously considered going to college.
- ✓ Engage students in the college application process earlier in their senior year.
- ✓ Foster a school-wide college-going culture.

*"I loved being able to help the kids and being able to have conversations that really helped them think about their future." - 2012 Volunteer*

*"I was encouraged to apply and had a set time and place to do so. I also had great volunteers to help me when I needed them to." - 2012 Student Participant*

*"This was a great event in that our students were pumped about the idea that they could go to a college or university." - 2012 Site Coordinator*

**Ever wonder how you can make a difference in your local high school?**  
Just a few hours of your time in November can help high school seniors make their college dreams a reality! As a Georgia Apply to College Volunteer you can:

- Provide assistance to high school seniors as they navigate the college application process;
- Share your college experiences; and
- Inspire graduating seniors to reach for their dreams by applying for college!

**It takes just a few simple steps to get involved:**

- Visit the GAC website at [www.usg.edu/apply-to-college](http://www.usg.edu/apply-to-college)
- Click on the **Get Involved as a Volunteer** section and go to **How to Become a Volunteer** to view the contact information for the participating high schools that have requested volunteer assistance.
- Contact a participating school and let them know your interest and availability. They will then confirm your volunteer registration and provide you with more specific details about their event.
- View the Volunteer Training Video, also found in the **Get Involved as a Volunteer** section of the site, before attending your first GAC event. The training will provide you with the information you need to have a fun and rewarding volunteer experience!

Visit the **GEORGIA APPLY TO COLLEGE** website at [www.usg.edu/apply-to-college](http://www.usg.edu/apply-to-college) to learn more!

Agosto del 2013

### Apreciados Padres de Familia:

Cobb County School District (CCSD) está comprometido en el logro de los éxitos de los estudiantes a través del entrenamiento educativo, en las escuelas locales, durante el año escolar 2013-2014.

Para ello, los directores y oficiales del distrito dedicaran más tiempo visitando a los estudiantes y a los maestros en sus salones de clases, durante todo el año escolar. Este énfasis adicional en el "entrenamiento educativo", brindara apoyo al aprendizaje y reforzara la atención del Distrito en el éxito estudiantil. Los miércoles serán los días que CCSD escogerá, como días de entrenamiento educativo. Usted puede estar seguro de que sus preocupaciones son muy importantes para nosotros, a pesar de que estamos dando más hincapié a la interacción en el salón de clase. Por lo tanto, le pedimos que se comunique con la escuela o la secretaria de la oficina para hacer una cita para hablar con el director o el administrador del distrito.

El distrito le agradece su apoyo continuo para con nuestras escuelas y administradores locales. Así mismo, le agradecemos su paciencia mientras implementamos el entrenamiento educativo en las escuelas.

Atentamente,

Michael Hinojosa, Ed.D.  
Superintendente

August 2013

Dear Parents,

The Cobb County School District (CCSD) is committed to improving student achievement through instructional coaching at local schools during the 2013-2014 school year.

As a function of this, principals and district officials will spend more time visiting with students and teachers in class throughout the school year. This additional emphasis on "instructional coaching" will help support learning and reinforce the District's focus on student achievement. CCSD will recognize Wednesdays as instructional coaching days. Please know that your concerns are still very important to us, even though we are increasing emphasis on classroom interaction. Therefore, we encourage you to contact the school or office secretary to schedule a time to speak with the principal or district administrator.

The district continues to appreciate your ongoing support of our schools and local administrators. Additionally, your patience is appreciated as instructional coaching with schools is implemented.

Respectfully,

A handwritten signature in black ink, appearing to read 'Michael Hinojosa'.
